PROFESSIONAL SUMMARY

Full-stack developer experienced in building web applications with Python, Django REST Framework, React, and PostgreSQL. Developed healthcare operations workflows and a municipal livestock permit platform with OCR-assisted document validation, role-based access controls, payment integration, and GIS visualizations.

EDUCATION

DALUBHASAAN NG LUNGSOD NG LUCENA

Bachelor of Science in Information Technology 2023–Present

Expected graduation: June 2027

WORK EXPERIENCE

ST BUSINESS CONSULTING

Full-Stack Developer Client project started August 2026

- Built a healthcare operations platform for Florida, Indiana, and Georgia, handling frontend and backend implementation.
- Implemented caregiver onboarding, credential tracking, client intake, service agreements, care plans, authorizations, and scheduling workflows.
- Implemented state-scoped authorization and data-access boundaries to restrict access to authorized records.
- Built audit logging, electronic signatures, and data-retention workflows; organized backend components into modular application features.

PROJECTS

LIVESTOCK TRANSPORT & BIOSECURITY MANAGEMENT PLATFORM

Sariaya Municipal Agriculture Office

Django REST Framework, PostgreSQL, React, PayMongo API

- Built an OCR-assisted document validation workflow to streamline livestock transport permit processing.
- Developed permit submission, barangay endorsement, veterinary clearance, payment, and QR-code issuance workflows.
- Implemented role-based portals, QR-based checkpoint verification, and SMS notification workflows.
- Built GIS maps and barangay zoning visualizations for livestock density, survey data, and quarantine boundaries to support African Swine Fever (ASF) monitoring.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML, CSS

Backend: Django, Django REST Framework, FastAPI, REST APIs, JWT authentication

Frontend: React 19, Vite, Tailwind CSS

Databases and Integrations: PostgreSQL, Supabase, PayMongo API

Tools and Workflow: Git, GitHub, automated testing, technical documentation, AI coding assistants
